

Learning Projects- Easter

Year 4

Let's become HISTORIANS!

Watch the video below to find out how Britain became part of the Roman Empire.

How the Romans Conquered Britain

Watch the video below to find out what happened when Queen Boudica faced the Roman army. Can you write a diary from the perspective of Queen Boudica about the event?

Let's get CREATIVE!

Explore the artist Hokusai click the link below to find out more...

HOKUSAI

Can you use recycled materials to replicate one of Hokusai's art work? Here's a few examples below, bottle tops work perfectly! Click the picture to enlarge it!

HOKUSAI

Mosaic Time.

These days we make our pictures on TV, computers and in print using lots of coloured dots or pixels to build up the image. The Romans had their own version using coloured stone tiles (a bit like tiny versions of the tiles you might find in your bathroom or kitchen) to create colourful mosaics on floors and walls.

Let's get ACTIVE!

Food provides us with energy and we need energy to exercise and this keeps us fit. Why not choose a dance from Supermoves? Click on the picture below.

Can you collect plastic materials to create a piece of art? Think about the textures and tones you want to use in your final piece. Pieces of plastic are usually very vibrant!

Let's become GEOGRAPHERS!

Natural Disasters

Use the website to find out about the different types of natural disasters:

- Forest Fires
- Earthquakes
- Tsunamis
- Floods
- Tornadoes

Can you click on the videos and try and replicate a natural disaster?

Let's get COOKING!

Weekly Meal Plan
