

Learning Projects- Week 6

EYFS

Weekly Maths Tasks (Aim to do 1 per day)

Counting!

Think about counting forwards and backwards from 1-20!

How many different ways can you do this? Could you whisper the numbers? Could you stomp your feet as you count? Be creative!

Could you challenge yourself to place the numbers in the correct order onto a number line? Are there any numbers missing? What are they?

Sort the pegs!

Use the pegs in the picture or if you have your own use them!

Take a look at the pegs you have got.. can you sort them into; size, colour, mass, material?

How many different combinations can you find?

Doing the washing!

Sometimes there can be lots of socks that need match up after the washing has been done!

Count in 2s by matching up socks and pairing them together! What total number of socks have been washed?

Did you find any odd socks?

What time is it?

What day was it yesterday, today, tomorrow?

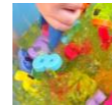

Use a stop watch to time yourself how long it takes to write your name. How much longer does it take you to write the numbers 1-20?

Find a clock in your house. Do you recognise the numbers on it? Cover some up, which numbers are missing?

Jelly hunt

Learn those numbers by hunting for them through jelly!

Click on the picture below to see what you will need to complete this activity!

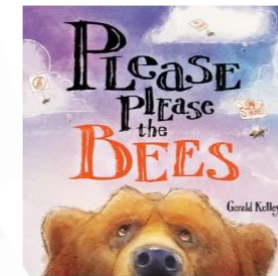

Don't have any jelly? Don't worry... hide your numbers around the house and see how long it takes to find them all.

Weekly Literacy Tasks (aim to do 1 per day)

Story time...

Click on the book to listen to the story

In the story the bear described himself as **SELFISH**

What does this word mean?

Can you think of any ideas how you could be helpful at home? Share how you are being helpful at home with us on

Dandelion Ink

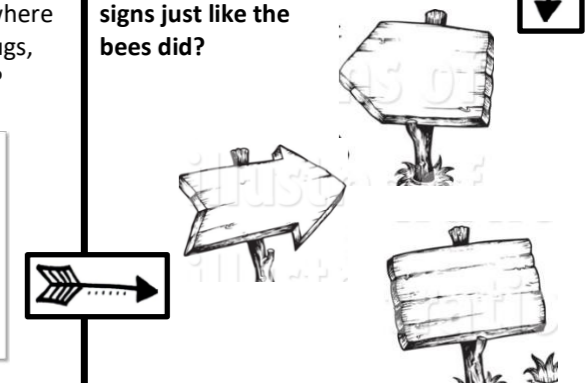

The sap if a Dandelion is white but when you write with it, it is invisible, then watch the magic as it dries. Can you write a message to the Bear? Try it on different coloured paper too!

The insects in your area are fed up! The have nowhere to live or eat other bugs, what would they say?

Could you make protest signs just like the bees did?
