

Learning Projects- Easter

Year 1

Let's be SCIENTISTS!

FOSSIL HUNTERS

What is it like to be a fossil hunter? How do you identify fossils? How are fossils formed? Who are the real fossil hunters?

Find out all about fossils by clicking on this [link!](#)
Can you write down 5 facts you have learnt about fossils!

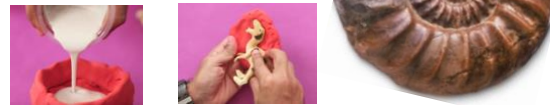

MARY ANNING A REAL PALAEOLOGIST

Watch this video all about [Mary Anning](#) and why she was such an important person!

Make a fact file all about Mary and upload your facts to seesaw/twitter

DIY DINO FOSSIL

Why not try and make your own DIY DINO Fossil? Take a look at this [video](#) to help!

Let's become ARTISTS!

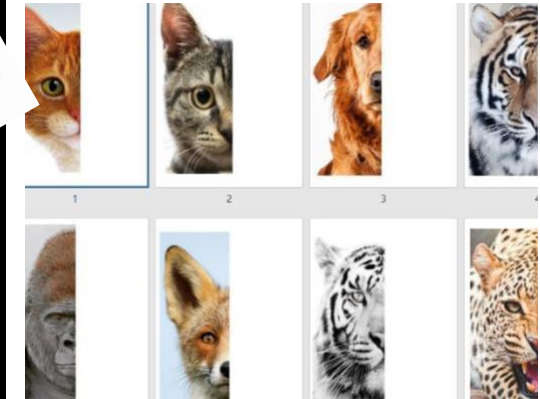

Paws, claws and whiskers

Do you have your own pet?
Would you like to have your own pet?

Can you share information about your dream pet without actually saying what the pet is!

E.g. - *I have two small eyes, I have gills to help me breath, I am cold-blooded and I live in water- what am I?*

Choose an animal portrait of your choice and cut it in half. Can you use your sketching skills to carefully draw the other side of the animal? [Use this video to help!](#)

Remember to share your learning on seesaw and/or Twitter!

Let's get CREATIVE (with FOOD!)

PLATE FACE!

Can you get creative with your food?
Take a look at these examples and see if you can make your own food faces!

Post your photos on seesaw/twitter

Let's become GEOGRAPHERS!

WE ARE BRITAIN!

Your challenge is to name, locate and identify characteristics of the 4 countries and capital cities of the UK!

Queen Elizabeth II

what do you know? What can you find out? Where does she live? Have a look at this [website](#) and watch the videos all about her!

Present your findings in the most creative way possible!
