

# Learning Project - Week 6

## Year 1

### Weekly Maths Tasks (Aim to do 1 per day)

Measure and begin to record different weights/mass of objects.

Watch this [video](#) that explores key vocabulary linked with weight/mass.

1. Can you find any objects around your house which would be lighter than the elephant?
2. Could you find anything heavier than an elephant?

Choose five different objects and compare their weight/mass using key vocab from the video above.

Compare and record lengths.

Measure [video](#) exploring the important vocabulary when comparing lengths.

Where might we have to measure length in the real world? Can you think about what you could measure and compare their lengths?

Here is a link to lots of [activities](#) linked with measures. Can you use what you know to answer as many as you can?

Solve one step word problems using all four operations.

**KS1 Reasoning & Problem Solving Questions**

Here are a range of KS1 problems. Take a look at them and choose 5 of your choice to complete with an adult.

**REAL LIFE**
