

Learning Projects- Easter

Year 6

Let's become Geographers!

Can you guess any location in the world? Click on the 'Geoguessr' logo above to access the challenge!

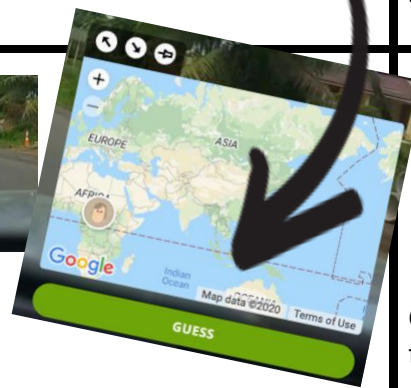

Use your map skills to locate the location by looking at the 360 view of the selected location.

Once you've got it click on 'guess' and pin point the location on the map!

What highest score can you achieve after 5 rounds?

Let's become Historians!

CRIME & PUNISHMENT

What do you know about the Great Plague?

Click on the Plague Doctor to find out all about it...

Create a [flow diagram](#) on how the plague spread from fleas to humans – remember to draw and label it..

THE PLAGUE DOCTOR

Research the Plague Doctor

'Why did they dress the way they did?' Draw and label the plague doctor's outfit.

Use the [Chatterpix](#) app to bring the plague doctor to life! Record speaking as the plague doctor about what they do and why they are dressed the way they are! Share your recordings on seesaw/twitter!

Can you make an A-Z list based on the 'Great Plague'? Think about presenting your work in the best way possible. You could add illustrations or photos to each of the letters!

Watch the video back if you need some ideas!

Let's get Arty!

DECORATE YOUR HARD-BOILED EGG FOR EASTER!

Boil your egg and let them cool until completely cold. Before you start to decorate your egg you need a plan! Take a look at some examples [here!](#)

Explore this website about the [Easter Story](#).

Share your finished eggs on...

Let's make LAVA!

BLOBS IN A BOTTLE!

Ever wanted to make your very own lava lamp? Well now you can by following some simple steps!

Watch this [video](#) which explains everything you need to know about making your very own lava lamp!

What's the Science behind it?

It's your job to find out how the lava lamps work! Research and write down how you've made your lava lamp and the science behind it!

Present your findings in any way you choose- be creative!
