

Year 1

Maths through stories!

This week's learning is going to be based around the story... 'The shopping basket'
Click on the image below to listen to the story!

The Shopping Basket

Explore..

How many items did Steven need to buy altogether?

Can you use cubes or items handy around the house to represent each item in Steven's basket? This may come in handy later!

How many left?

Which animals wanted some of Steven's shopping? (List them)

Think about how many items Steven would have left after each animal had taken some of his items!

Invent your own

Imagine you are Steven and you have 21 items in your basket.

Think about creating your own animals that want to take the items off Steven. Can you write down the calculations and work out how many items he's got left.
