

**CRIME SCENE DO NOT CROSS**

## EYFS

### The Escape Room

### Weekly Literacy Tasks (aim to do 1 per day)

#### Crack the code challenge!

There's a problem and the classroom door is locked and we don't know the code to escape.

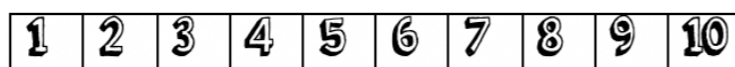

Your job is to find 5 special numbers that will open the keypad so we can escape the room.

Use your mathematical skills to find each special number – Good Luck!

#### Room 1

Watch this [video](#) to get started on Counting back from 10.

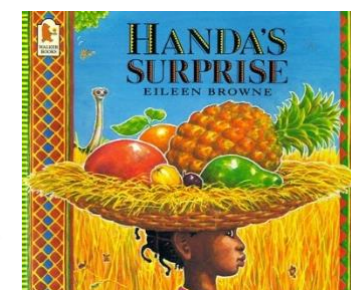

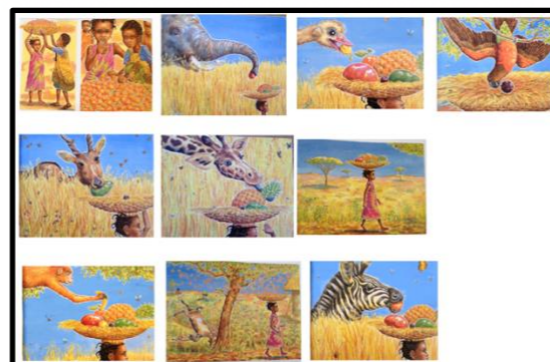

Count the sheep in the picture above. Can you use the number line to subtract this amount from 10?

This is your first digit for your keypad.

Can you place the pictures in the correct order?

Click the front cover of the book to listen to the story

#### Room 2

There is a pile of bananas in the classroom.

Someone has snuck in and taken two of them. How many are left?

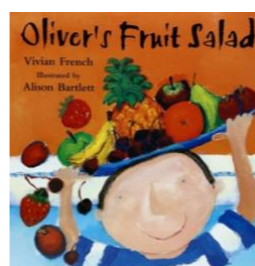

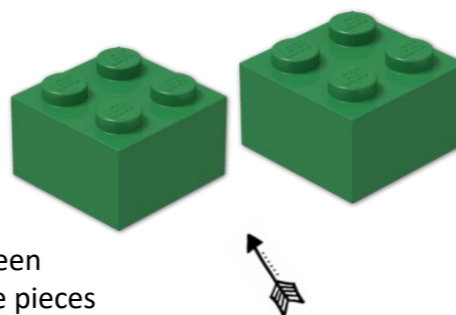

This is your second digit for your keypad.

#### Room 3

Here are some Lego pieces.

Look carefully at the green Pieces. How many more pieces Would you need to make 10?

Use the number line to help you above. This is your third digit for your keypad.

Oliver is a little boy who thinks he doesn't like fruit, turns out he does! What are your favourite fruits? Could you make a fruit salad with an adult at home?

#### Pencil Grip

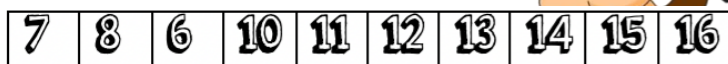

Can you draw what happened in the story to help you retell it?

Can you retell the story of Handa's Surprise to a family member using the word mat below?

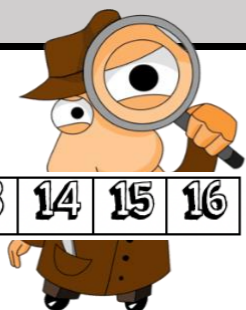

#### Room 4

Someone has been busy writing their numbers to 20. There is a mistake. Can you find it and correct it?

Your correct number is your fourth digit for your keypad.

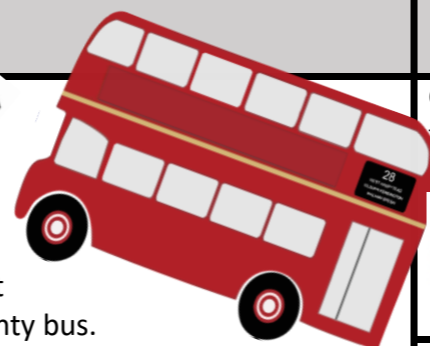

#### Room 5

The Naughty bus is back!

There are many people that Want to travel on the naughty bus.

At the beginning of the journey there are 3 people on the bus. Then 4 more people get on the bus. How many people are on the bus altogether? (Don't forget about the bus driver!)

This is your final digit for your keypad.

### Weekly Creative Tasks (Aim to do 1 per day)

Could you make a necklace for Handa using food dyed pasta?

#### Threading

Can you create these tasty Rainbow kebabs using the fruit in your house? Or even try making your own fruit juice!

#### Fruit and Vegetable Printing

Can you use the fruit and vegetables you have at home to paint a picture? What patterns can you create? Can you create a pattern that repeats?
