## Train Timetable!

Three trains (The Express, the Star and the Eagle) travel from Sheffield to Barnsley on the same morning.

The **Express train** leaves Sheffield station 10 minutes after the **Star train**, but arrives at Barnsley 10 minutes before it.

The **Star train** takes 50 minutes to reach Barnsley station and arrives at 10:30am

The **Eagle train** leaves 20minutes before the **Star train** and arrives at Barnsley 20 minutes after the **Express**.

Can you work out the timetable? What times does each train leave Sheffield station and what time does each train arrive into Barnsley station?

[Solutions can be found here \(please note diff train names\)](#)
