

Learning Project- Week 4

Year 3

HCAT Theme Park Challenge

Weekly Reading Tasks (Aim to do 1 per day)

Your Challenge

HCAT have a vision to build their own theme park in the few years. It's going to be launched as the first Theme Park suitable for children only and classes will be able to book their places over the academic year.

Your spending limit is
£5,000

1. You must carefully decide what sort of rides you are going to have. You also need to think about other facilities visitors will need like toilets, cafes, shops.

2. Many theme parks have different areas that are 'themed'. In other words, they might have an 'African' area or a 'Space' area. Think carefully about what you would like in yours!

Planning the HCAT Theme Park

Watch this video to get you thinking about what you might include within the HCAT park.

[Theme Park Advertisement](#)

It's time to draw and design your theme park on squared paper. You must not go over your spending limit and you must include: **Rides (of your choice), Café, shops, vending machine and a number of toilets.**

Item	Number of squares	Cost per item	Number in your park	Cost for your park
Major ride	9	£500		
Minor ride	6	£200		
Café	4	£100		
Shop	4	£70		
Vending machine	1	£5		
Toilets	4	£10		

Running your theme park

To run the HCAT theme park the following costs will apply to each item that you have every day.

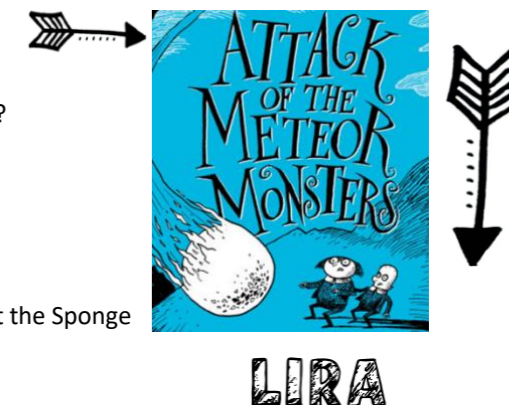

How much will it cost you to run your theme park for 1 day based on the theme park you have planned?

Item	Staff Costs	Running costs	Total costs per
Major ride	£50	£30	£__
Minor ride	£20	£40	£__
Café	£30	£20	£__
Shop	£20	£20	£__
Toilets	£5	£5	£__

If 100 children from across HCAT come to the theme park every day and spend £5 to get in, would you make any money?

How many visitors would you need to make a profit?

Can you click on the picture to listen to the audio book, then have a go at the LIRA questions.
Click the cover and read the text

Literal: What were Mildrew and Sponge still doing at the top of Pig's Pike?

Literal: What was Mildrew hoping the sports master might do?

Literal: What was the new sports masters name?

Inference: 'Sponge sighed again..' How does this show Sponge feels about the Sponge Master?

LIRA

Reader Response: Can you identify any similarities between all the Sports Masters?

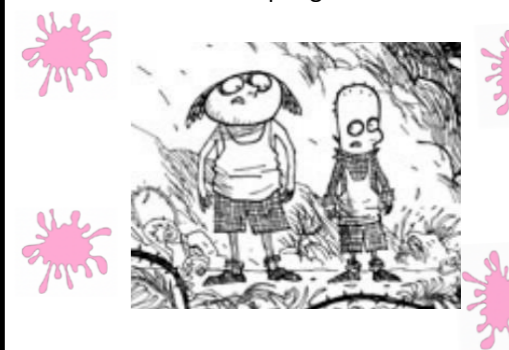

Literal: What are the Mildrew's known throughout Berkshire for?

Inference: How do you think Mildrew felt about being pulled up for snoring? Use evidence to support your answer.

Inference: How do you feel the boys felt with what happened at the end of pg2 and beginning of page 3? Why- use evidence to support your answer.

Character Splat

Can you use the text to identify the key characteristics of Sponge and Mildrew?

HCAT Theme Park Challenge

Weekly Writing Tasks (Aim to do 1 per day)

Advertising the HCAT Theme Park!

You need to decide on a type of advertising you want to use to promote your theme park. There is a costing for each type. If you have enough in your budget you could select them all or you might just want to choose one.

Method	Leaflet	Radio	TV
Cost	£120	£235	£399

Make your advert and share it on seesaw/twitter!

Order those visitors!

On the first week of your park launching here are the estimated visitors that will visit the park.

1. Can you order them smallest-largest?
2. Can you round each number to the nearest 10?
3. Can you find the diff between the smallest & largest number?

Day	Visitors
1	235
2	204
3	233
4	251
5	249

To Be Continued

Before reading the end of the story can you continue the narrative? Can you use the front cover to inspire you?

Click the link to learn about The weather and our climate.

Can you create an informative report to share what you have learnt?

Weather Report

Gray and Owen were stuck in the snow, can you write a weather report from the weather in your area? You could film yourself and upload it to seesaw. Let's hope your weather includes lots of sunshine and no SNOW! Click the link to see an example.
